

1. 7 minutes ago - **inu:**

The app was a joke and he clearly had no intention to apply for a real position, do not waste your precious time dissecting every word and trying to find 100 reasons to deny it when one is good enough,

2. 7 minutes ago - **Dio Brando:**

I'm not about to relax for once. I don't care if it's a joke or not, things like that aren't supposed to be tolerated. I'm not about to have some immature 18 year old doing things like that on this community, joke or not.

3. 6 minutes ago - **Tsumiki:**

Inu, people take things differently. Stop judging how Dio and I take things seriously or not. People don't have the same mind as each other. Everyone has a different opinion. We don't care, joke or not, it will be denied for legitimate reasons.

4. 5 minutes ago - **inu:**

Thanks for the fish would also have been a legitimate reason considering it was not even a real application.

5. 5 minutes ago - **Cryptic:**

let her spend her time however she pleases to

6. 5 minutes ago - **Tsumiki:**

Admin applications were never meant to be a joke in the first place.

7. 4 minutes ago - **inu:**

I think people are mistaking this for me ordering her to do something or to not do something

8. 4 minutes ago - **Cryptic:**

mistaking? haha

9. 4 minutes ago - **Tsumiki:**

Do you prefer abusive admins or admins that do things correctly? Because it seems like you're somewhat supporting the abusive side and the immature that don't take things seriously. That would make the community look bad.

10. 4 minutes ago - **inu:**

This is a personal gripe I am pointing out because the amount of effort that went into denying this non-application gave me stage 3 lung cancer

11. 3 minutes ago - **Shiroe:**

Inu we, including you, represent Panda in a whole so taking admin applications seriously is what everyone should be doing and we should be working as a team honestly. You by far, almost every other day, are negative about another administrator be it trial or full on their duties and how they see fit to respond to something. If you want to be a critic so bad on others go judge food for a living.

12. 3 minutes ago - **Tsumiki:**

Inu, Dio does things her way, and you can't stop her from what she does as evaluating on an admin application.

13. 3 minutes ago - **inu:**

I can not respond to all of you so it would be great if only one could make a post condensing all of the content instead of 3 people repeating the same thing, thanks.

14. 2 minutes ago - **Shiroe:**

Let me condense it down for you Inu. Grow the fuck up and criticize people privately instead of your usual "lets bring it in the shoutbox" drama episode.

15. 1 minute ago - **inu:**

I would have figured they would pick a spokesperson that is actually worth conversing with 8(

16. 1 minute ago - **Cryptic:**

still find it funny how he said, "i think people are mistaking this for me ordering her to do something or to not do something."

17. 1 minute ago - **Shiroe:**

Converse with me in private and I'll be glad to have an intellectual conversation with you. Until then keep your bullshit out of the shoutbox as NO ONE wants to see it.

18. 1 minute ago - **inu:**

I don't have Dio on Steam, hence I just typed my opinion, take it as you wish, in here. I am not sure why you guys are trying to make a fight out of it.

19. A moment ago - **Nation:**

Inu, Shiore has a good point, the fact that your being so ignorant to accept that already shows your not worth having a conversation with regardless of any situation.

20. A moment ago - **Cryptic:**

"deny it and move on but stop acting like a 60 year old wise buddhist" is obviously not an order whatsoever

21. A moment ago - **inu:**

I must admit that was very badly worded, thanks for pointing that out.

22. A moment ago - **Tsumiki:**

And don't just randomly come up with one's religion to make a joke out of it. I find it offensive.

23. A moment ago - **inu:**

Then I apologize as I had no way of knowing

1. A moment ago - **inu:**

I have no issue with either of you, except Shiroe as I still find a VAC banned staff member to be an utter joke, so don't take offence where I did not strike.

2. A moment ago - **Shiroe:**

Where the fuck do you see a VAC on my profile?

3. A moment ago - **Shiroe:**

I see Game Ban and each for a different reason.

4. A moment ago - **inu:**

Game Ban, alright, my mistake

5. A moment ago - **Cryptic:**

vac and gameban are two different things

6. A moment ago - **Shiroe:**

Learn the fucking difference son.

7. A moment ago - **inu:**

I would appreciate a better tone from you

8. A moment ago - **Shiroe**:

I'm sick of you sir.

1. 2 minutes ago - **Shiroe**:

I truly am. Every other day you have some negative drama shit in the shoutbox.

2. 2 minutes ago - **inu**:

And I could care less, my dear gentleman.

3. 2 minutes ago - **Shiroe**:

Learn to take it to private instead of being some PMSing little high school girl.

4. 2 minutes ago - **Shiroe**:

You are a joke to this community, a joke to what it stands for, and a joke to the admin team by my eyes.

5. 2 minutes ago - **inu**:

Who cares? I don't answer to you

6. 1 minute ago - **inu**:

If everyone thought I was a joke, I would not be on here.

7. 1 minute ago - **Shiroe**:

You desperately want to pick a dramatic fight then please come see me via a private chat. I'll be glad to lay in to your childish behavior.

8. 1 minute ago - **Shiroe**:

The ONLY fucking reason you are an admin is because you are friends with Kevin from what I hear.

9. 1 minute ago - **inu**:

Why would I? I don't enjoy fighting with people

10. 1 minute ago - **Cryptic:**

you enjoy provoking 'em tho :^)

11. 1 minute ago - **Nation:**

Ahaha.. Oh god he's so delusional...

12. A moment ago - **Shiroe:**

"I don't enjoy fighting with people" THEN WHY THE FUCK ARE YOU IN THE SHOUTBOX EVERY OTHER DAY PICKING A FIGHT?!

13. A moment ago - **inu:**

Because my way of conversing with people usually makes them pretty angry, I still don't aim for fights tho

14. A moment ago - **Shiroe:**

Then change how you behave with others and stop being a self righteous little prick.

15. A moment ago - **Tsumiki:**

Why always start drama in the shoutbox? Why judge Shiroe just because of his game bans when you don't even know the reasons of why he got the game bans which are NOT VAC bans?

16. A moment ago - **inu:**

Why would I? It is working for me

17. A moment ago - **Cryptic:**

when you labeled someone's actions as "pathetic", did you really expect 'em to take it so lightly?

1. A moment ago - **inu:**

Mom I am in an interview!!! To answer your question, no and I should not have said that. I just sometimes act too rash on the tiniest issues, which is quite honestly a personal shortcoming.

1. A moment ago - **inu:**

I do admit this though if it ends up reading differently than from what I meant to say, which does happen.

2. A moment ago - **Shiroe**:

Inu I'll tell you now instead of biting my tongue like I did before when you called me out over my "vac bans". In no way does it affect my ability to moderate the servers; If you think it does then call for my demotion and quit putting your bullshit drama in the shoutbox.

1. A moment ago - **Tsumiki**:

It seems that Inu really likes to start drama over ever little single thing and find it...entertaining? But it's really not.

2. A moment ago - **inu**:

I am in no position to decide who is on staff, Shiroe, I just do not see it fit for such a position.

3. A moment ago - **Shiroe**:

You are and probably have been the most annoying person Panda has seen in almost a year now. You criticize everyone, you cause drama more than most girls do, and you behave like a child 99% of the time.
